At The Abundance Catering Company, we don't believe you should worry about being able to afford the food for your event. Just because we hear you say "wedding", doesn't mean you're going to pay more than our other customers. And if you are being extra careful about your expenses, we can still provide you with delicious, eye-appealing foods for a great "do-it-yourself" reception.

We offer two styles of service, "Delivery" and "Full Service". In addition, we offer three styles of menus which will fit a wide range of budgets, "Pasta Party", "Pork & Poultry", and "Surf & Turf".
